

# FaiTh BUZZ AT HOME

**For Parents**

**Rainbow Promise**

**Preschool**

**When your family talks about faith—even just once a week—everyone grows spiritually.**

***Faith Buzz at Home* makes your weekly conversation easier than ever! Here's how.**

Along with this *Faith Buzz at Home for Parents*, today you received a *rainbow page* and a *Buzz sticker*. The *Buzz sticker* has a discussion starter that will reinforce what your child learned at church this week.

Each week your child will bring home a new sticker with a new discussion starter. To create anticipation, set aside a special time for your child to place the sticker on the *rainbow page*. Use the discussion starter as the sticker is placed. Since your child will naturally want to do something special with the sticker, growing in faith together becomes fun and something to look forward to.

You'll help your child remember and live out important Bible truths every week. And you'll grow in faith together, too.

**It's that easy!**
