

## Jonah is swallowed by a big fish. Jonah 1:1–2:10

This week your child learned that Jonah tried to hide from God and then was swallowed by a big fish. Inside the fish, Jonah prayed for forgiveness. We know that God is loving, so

**we pray to God for forgiveness.**

**Play this game to reinforce what your child learned.**

Have family members hide while you slowly count to 10. Then start seeking! When you find a family member, give him or her the *neutron ball* and a big hug. Then together say this rhyme:

**God saw Jonah, and I see you.**

**We can pray for forgiveness, too!**

Then have that person help you find the others. Each time you find someone, give that person the *neutron ball* and a big hug. Then say the rhyme together.

After the game, sit in a circle on the floor. Let each person hold the *neutron ball*, ask God for forgiveness for a specific action or thought, and then pass the ball to the next person.
