

# FaiTh BUZZ AT HOME

**For Parents**

**Crime & Punishment**

**Grades 3&4**

**When your family talks about faith—even just once a week—everyone grows spiritually.**

***Faith Buzz at Home* makes your weekly conversation easier than ever! Here's how.**

Along with this *Faith Buzz at Home for Parents*, you received a key chain and a *Faith Buzz at Home* card. Sometime during the week—when you've stopped at a red light, for example—take out the card and talk about the question or discussion starter with your child. When you finish with the card, your child can add it to the key chain as a reminder of your faith discussion for that week.

The key chain gives your child a simple, fun way to collect all the cards you'll do together. Since kids this age love to collect things, they'll look forward to your discussions.

Each week your child will bring home a new card with a new discussion starter. When you spend even a few minutes talking together about the question on each card, you'll help your child remember to live out important Bible truths every week. And you'll grow in faith together, too.

**It's that easy!**
