

FaiTh BUZZ AT HOME

For Parents

The Amazing Grace

Grades 5&6

When your family talks about faith—even just once a week—everyone grows spiritually.

***Faith Buzz at Home* makes your weekly conversation easier than ever! Here's how.**

Along with this *Faith Buzz at Home for Parents*, you received three *challenge cubes* and a *Faith Buzz at Home* card. Since kids will naturally want to play with the cubes, growing in faith together becomes something fun to look forward to. The *Faith Buzz at Home* card tells you how to use the *challenge cubes* in a way that will reinforce what your child learned at church this week.

Each week kids will bring home a new card to use with the *challenge cubes* to follow through on a new service challenge for the week. To create anticipation, use the cubes only with the cards. Keeping the *challenge cubes* separate from other toys will make *Faith Buzz at Home* a very special experience that your kids, and you, will look forward to every week.

You'll help your family remember and live out important Bible truths. And you'll grow in faith together, too.

It's that easy!
