

# FaiTh BUZZ AT HOME

**For Parents**

**Kingdom Safari**

**Pre-K&K**

**When your family talks about faith—even just once a week—everyone grows spiritually.**

***Faith Buzz at Home* makes your weekly conversation easier than ever! Here's how.**

Along with this *Faith Buzz at Home for Parents*, you received a *neutron ball* and a *Faith Buzz at Home* card. The *Faith Buzz at Home* card tells you how to use the *neutron ball* in a way that will reinforce what your child learned at church this week. Since your child will naturally want to play with this special ball, growing in faith together becomes fun and something to look forward to.

Each week your child will bring home a new card with a new way to use the *neutron ball*. To create anticipation, use the *neutron ball* only with each week's card. Keeping the ball separate from other toys will keep it special, and your child will look forward to experiencing *Faith Buzz at Home* with you.

You'll help your child remember and live out important Bible truths every week. And you'll grow in faith together, too.

**It's that easy!**
