NAME _____

THANK GOD

In today's lesson, preschoolers learned about the importance of thanking God. In the Bible story from Joshua 3–4, God helped the Israelites cross the Jordan River, and the Israelites thanked God for helping them through difficult circumstances.

Today kids committed to one of the following Daily Challenges. Help your child weave faith into life this week and follow through on his or her challenge! (Have kids circle their choice below.)

- ☛ Create a thank you card for God, listing all the things you're thankful for!
- ☛ Find something outside, like a flower or a caterpillar, and thank God for making that thing.
- ☛ Have your mom or dad read you a story from the Bible. Thank God for the things he did in that story.

God helps us in everything, and it's important that we thank him for all that he does in our lives. Help your child create a list of all the things he or she can thank God for. Keep the list in the child's room or on the refrigerator as a reminder to always thank God.
