To my little Indiana,  
Your mama and I needed you,  
And the world needs you too.  
God knew all these things  
The day He made you.

With all my love,  
Papa

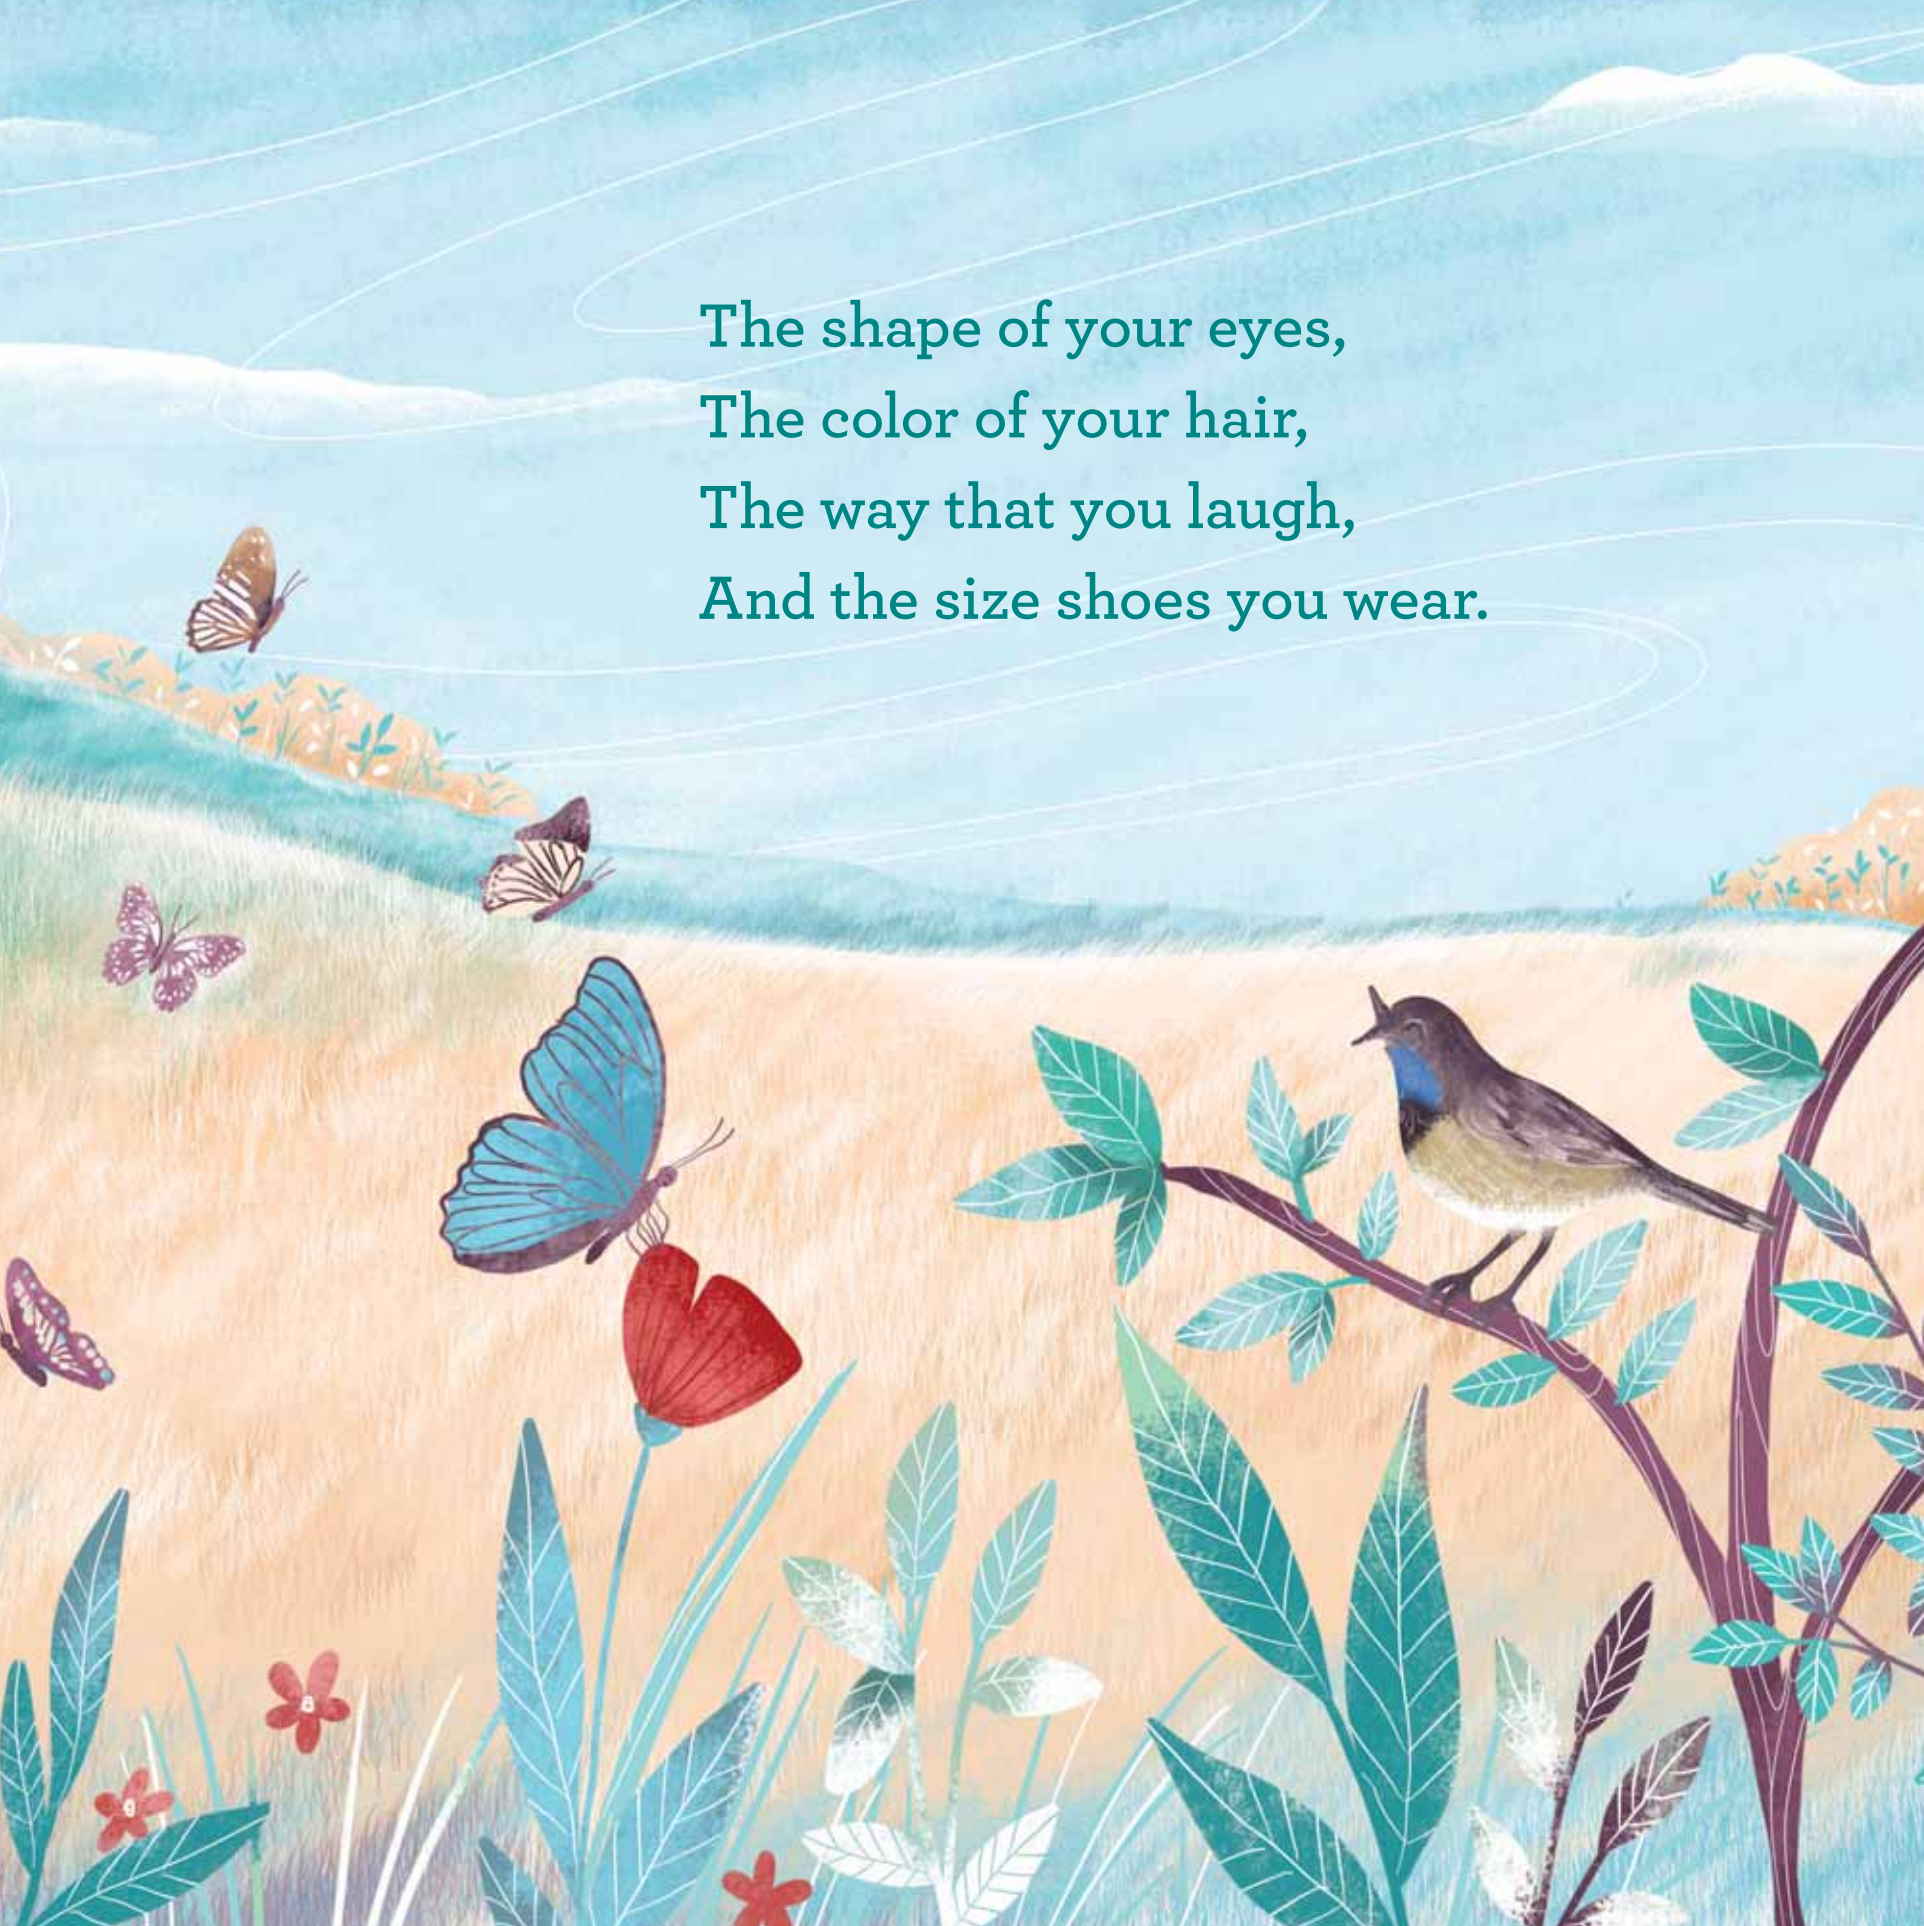

The shape of your eyes,  
The color of your hair,  
The way that you laugh,  
And the size shoes you wear.

The sound of your voice  
And the tears you cry too—  
God knew all these things  
The day He made you.

The way you like puppies  
And swinging on swings,  
And how ice cream and cookies  
Are your favorite things.
